#### 12. What did you especially like about the lecture?

- The fact that there are videos so I can rewatch topics I'm unsure about. The quality of the slides is also very good.
- Professor's engagement, contents are highly relevant for future career, going deeper to concepts usually covered on a surface level
- Teaching style, examples and anecdotes to make the content more tangible

#### 13. What should be improved?

- 1. I wish there would be more lectures as there is a lot of material to cover. I'd say semesters overall are too short at the university.
- 2. 60 minutes for exam is not enough, would be better if they would be 90 minutes at least.
- The videos are a bit outdated so sometimes slides are missing.
